Is very vital especially for learners who come from Gr R or even those who didn't attend Grade R, and those learners who need support, in numeracy and literacy. Activities - for different learners especially in maths - I've learnt many steps which I didn't understand and ended understanding on how to teach.
5/28/2014 2:14 PM [View respondent's answers](#)

It is important when you teach to give clear instructions and what also is important is to follow steps and that can help learners to understand the concept that you are teaching very clear. Don't teach two concepts at the same time.
5/28/2014 2:11 PM [View respondent's answers](#)

I understand that from basic concept learners gain language. The way to teach a concept. It improve our learners understanding about self confidence.
5/28/2014 2:08 PM [View respondent's answers](#)

Basic concepts, it helps me to understand how to position numbers and letters and also now to differentiate colours and also look at the size.
5/28/2014 2:06 PM [View respondent's answers](#)

Basic concepts are all about patience and clarity from the teacher to the learners. The importance of understanding that learners do not development at the same rate. The importance of stressing on colour, shape,

understanding that learners do not development at the same rate. The importance of stressing on colour, shape,

I've gained more knowledge and I do understand now how to work with different learners in the class in maths and numeracy.

5/28/2014 2:14 PM [View respondent's answers](#)

I want to know how to teach basic concepts and that's what I learnt. Basic concept programme steps are so wonderful because that helps with the teaching.

5/28/2014 2:11 PM [View respondent's answers](#)

I gained a lot of knowledge for me and the learners. The learner will be able to learn by play.

5/28/2014 2:08 PM [View respondent's answers](#)

The idea of workshop is very helpful to the new teachers that are not aware of handling the children.

5/28/2014 2:06 PM [View respondent's answers](#)

You have helped me a lot, because I have no idea on how to deal with slow learners.

5/28/2014 2:05 PM [View respondent's answers](#)

The presentation was good and clear, easily understandable. I have gain a lot and have more ideas how to deal with the basic concept programme.
